### Provision of care for all pregnant mothers during COVID-19 infection

Due to the prevailing situation in the country, you are hereby requested to provide care to all pregnant mothers who present to your institutions for child birth or to those that get admitted due to other co-morbidities despite their area or place of initial care or follow up.

This decision was taken following assigning some hospitals for management of suspected/ confirmed patients of COVID-19 infection and closure of maternity units due to COVID-19 infection as pregnant mothers who were followed up at those institutions have been faced with difficulty of accessing care.

Furthermore, this information must be urgently communicated to all relevant health staff in your respective institution:-

Dr. Anil Jasinghe

Director General of Health Services

Dr. Anil Jasinghe

Director General of Health Services

Ministry of Health, Nutrition & Indigenous Medicine
